2000 Analytical Review DWCCA-770-PJL

Dear Ms. Hardy:

The Public Service Commission has completed their analytical review of your 2000 annual report. The primary purpose of our analytical review is to detect possible accounting related errors and to identify significant fluctuations from prior year's data, which are not sufficiently explained in the footnotes of your annual report. We have no questions only the following comment.

In the future, as directed in the head notes of the Water Operation & Maintenance Expenses schedule on page W-5, please provide an explanation of any expense account which changed by \$2,000 and 30% when compared to the previous year.

Thank you for your efforts in preparing your 2000 annual report. We are closing the review of your 2000 annual report. If you have any questions, please feel free to contact me at (608) 267-9198 or by e-mail at leegep@psc.state.wi.us.

Sincerely,

Peter J. Leege Financial Specialist Division of Water, Compliance, and Consumer Affairs
